3.2 When an employee fails to fulfill the obligation as set forth in Section 3.1 or 3.1.1, the Union shall provide the employee and Employer with thirty (30) calendar days notification of the Union's intent to initiate discharge action and during this period the employee may make restitution in the amount which is overdue. If an employee has not fulfilled the Union membership obligation and/or other provisions as described in Section 3.1 or 3.1.1 by the end of the applicable discharge notification period, the Union shall thereafter notify the Employer in writing, with a copy to the affected employee, of such employee's failure to abide by Section 3.1 or 3.1.1. In this written notice, the Union shall specifically request discharge of the employee for failure to abide by the terms of the Labor Agreement between the Employer and the Union.

FURLOUGH

THIS LETTER OF AGREEMENT sets forth the parties' understanding regarding furlough language.

- A. The CITY OF SUNNYSIDE, hereafter called "Employer", is a municipal corporation of the State of Washington, with City Hall located at 818 E. Edison Avenue, Sunnyside, Washington 98944.
- B. The TEAMSTERS LOCAL UNION NO. 760 – Police Support, hereafter called "Union", is the exclusive bargaining representative for bargaining unit employees consisting of police support employees for the City of Sunnyside.
- C. The parties agreed that furlough language will be reflected in this Letter of Agreement rather than in the labor agreement and would be effective beginning January 1, 2015.

Furlough

In the event the City determines that it needs to implement layoffs due to budgetary issues, the City will first consider proposing furloughs to full-time employees based on the monetary amount needed to be saved and/or reduced from that Department's budget. After the City determines the amount necessary, the City will then calculate the number of hours, in a furlough scenario, needed for the employees to make up for the shortfall. The City will present its fiscal determinations and the potential furlough approach to the bargaining unit as an option to prevent the layoff of full-time employees. There must be a unanimous vote by the Union to request furloughs. Once the union makes the request then the City has the option to choose between the furloughs and a layoff. The City has the right to make the final decision on whether to proceed with the furloughs or layoffs. If a layoff is necessary, the City will follow the Seniority and Layoff (Article 7) provisions of the current labor agreement.

- D. Entire Agreement. This Letter of Agreement constitutes the entire Agreement of the parties regarding furlough language.
- E. Effective Date. This Letter of Agreement shall be effective January 1, 2011.

Pay Grid Calculation & Minor Clerical Changes

THIS LETTER OF AGREEMENT sets forth the parties' understanding regarding Pay Grid Calculation and Minor Language Changes to the Collective Bargaining Agreement.

- A. The CITY OF SUNNYSIDE, hereafter called "Employer", is a municipal corporation of the State of Washington, with City Hall located at 818 East Edison Avenue, Sunnyside, Washington 98944.
- B. The TEAMSTERS LOCAL UNION NO. 760 – Police Support, hereafter called "Union", is the exclusive bargaining representative for bargaining unit employees consisting of police support employees for the City of Sunnyside.
- C. The parties agreed that Pay Grid Calculation and Minor Clerical Changes language will be reflected in this Letter of Agreement rather than in the labor agreement and would be effective beginning January 1, 2015.

Pay Grid Calculation and Minor Clerical Changes

The Union and the Employer agree that the method for calculation of the pay grid shall be performed as follows:

- 1. For each respective classification, Step "A" of the grade shall be adjusted by the percentage change and/or fixed dollar amount as agreed to during negotiations rounded to two (2) decimal points using a Microsoft Excel (or comparable) worksheet. For example, if Step "A" of the grade showed a pay rate of \$2,000.00 per month and the agreed upon wage increase was 1.75%, the resulting change for Step "A" would be \$2035.00 per month ($\$2,000.00 * 1.0175 = \2035.00).
- 2. The increase from Step "A" to Step "B" within a range would be a five (5%) percent increase rounded to two (2) decimal points using a Microsoft Excel (or comparable) worksheet. For example, if Step "A" was shown as paying \$2,000.00 per month, the calculation for Step "B" would be to add the five (5%) percent to Step "A" rounded to two (2) decimal points using a Microsoft Excel (or comparable) worksheet -- $\$2,000.00 * 1.05 = \$2,100.00$.
- 3. That same calculation would be repeated to calculate the increase from Step "B" to Step "C"; from Step "C" to Step "D"; and from Step "D" to Step "E".

The Union and the Employer following a detailed review of the collective bargaining agreement agreed to approve a number of minor clerical changes to allow for easier use and understanding of the collective bargaining agreement. These changes included correction of typographical errors, correction of number sequences and number references and similar clerical changes that did not alter

the intent of the originally agreed upon collective bargaining agreement.

D. Entire Agreement. This Letter of Agreement constitutes the entire agreement of the parties regarding Pay Grid Calculation and Minor Clerical Changes.

E. Effective Date. This Letter of Agreement shall be effective January 1, 2015.
